

Carin Smith, DVM and Cindy Trice, DVM Announce the Release of the 5th Edition of FlexVet: How to Be One, How to Hire One.

Wenatchee, WA, Release: April 22, 2019. *For immediate release.*

Smith Veterinary Consulting & Publishing is launching the 5th edition, (3rd Kindle Edition) of the book *FlexVet: How to Be One, How to Hire One. The Comprehensive Practice Guide for Relief & Part-Time Veterinarians.* It features 7 comprehensive chapters covering a wide range of resources to help practices, part time vets, and relief (locum) veterinarians navigate the business intricacies of flexible work.

This one of a kind book is practical and highly educational. It covers subjects from the points of view of multiple stakeholders inspiring productive and collegial business relationships.

This new 2019 edition includes updates on taxes, insurance, and current links to valuable information online. Other topics include: choosing the right type of flex vet for your practice, business plans, budgeting, marketing, social media, and sample contracts and letters. Self assessment quizzes help both practices and flex vets determine what type of employment opportunities best suit their particular needs. Practices gain insight in how to attract and most productively engage with the modern flexible workforce. Real-life case studies illustrate strategies for navigating tricky communication and business scenarios between employers and flex vets.

The book is available as a Kindle book through Amazon by following this [link](#).

Dr. Smith is a nationally recognized, award-winning author of hundreds of articles and many books. Now retired, she devoted her career to helping veterinarians and their teams create successful lives and careers as a consultant, speaker, trainer, and author. A list of her publications can be found at smithvet.com.

Dr. Trice is a career relief veterinarian, consultant, speaker, and author. She is the founder of Relief Rover an online community that serves as a resource for relief vets and those who use their services.
