## **The Bridge Club Expands Global Influence with Bright Minds Award** *Celebrating Veterinary Thought Leadership at Singapore Vet Show and London Vet Show*

PALATINE, IL —May 15, 2024 – The Bridge Club, an organization committed to advancing veterinary medicine, is introducing the inaugural Bright Minds Singapore award and its second annual Bright Minds UK Award. These prestigious accolades honor visionary thinkers, wellness advocates, and innovators in the field of veterinary medicine. In collaboration with Singapore Vet Show and London Vet Show, the esteemed awards will highlight groundbreaking innovation within the industry during the 2024 conferences.

"We are thrilled to broaden the platform for recognizing the tireless efforts of those who work diligently behind the scenes to improve this profession," says Charlotte Ellicott, Marketing and Content Director for CloserStill Media. "Highlighting the contributions of these exceptional individuals and organizations provides us all with an opportunity to learn and contribute more to veterinary medicine."

The Bright Minds Awards began in the United States in 2018 and has honored more than 16 professionals and organizations. These awards are nominated and voted upon by the profession.

The Bright Minds Awards consist of three key categories.

- **Industry Influencer:** This award recognizes individuals who promote and elevate veterinary medicine through various platforms such as social media, articles, public speaking, or media appearances, shedding light on the profession, medical advancements, and its people.
- **Practice Game Changer:** This category honors individuals or teams dedicated to improving veterinary practices by addressing daily challenges. Practice Game Changers develop new workflows, strategies, and approaches to advance veterinary medicine.
- **Wellness Champion:** Recognizing the importance of mental health and overall wellness in veterinary practice, this award highlights individuals or teams who prioritize people with wellness initiatives and care programs in specialty or general practice.

Voting for the Bright Minds Singapore Award and UK Awards begin on May 15.

Each award winner will receive:

- Monetary Award
- Conference Registration
- Recognition on stage at conference

- Physical Award

To nominate a colleague or yourself, please submit your nomination at <https://www.thebridgeclub.com/brightmindawards> by July 15.
